NOTE FOR [REDACTED]  
Executive Officer, DDA

STAT

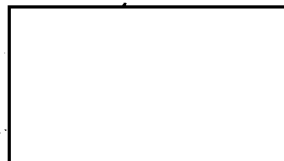

[REDACTED]  
Office of General Counsel

I need some of your wonderful joint assistance.

The DDCI recently was told, apparently for the first time, that a number of Agency documents were passed to Jack Anderson in late 1976. The DDCI's reaction was that he wanted to know more about that episode.

Accordingly, would you please have a joint memo prepared for the Deputy Director which explains the facts associated with this situation. Some obvious issues to be addressed are: what was passed to Jack Anderson--if anything, who did it, what has Anderson been doing with this information since then, and what is this Agency (much less the Executive Branch in general) doing about it?

If there is anything I can do to assist you, please let me know.
